

Dear Members,

Our **first** Cruise of the Season, and the first official one for a few years, is on **Saturday 6th of May**, (13.40pm), which is to Blackness.

Many of you will also have realised that this is the **King's Coronation day**, so if you fancy joining in with the festivities as well as cruising, it would be nice to see participating boats decorated in bunting, and members can don a bit of festive head gear too if they fancy...be that crowns or a

set of big lugs!

We are an inclusive club, so all Republicans welcome too. 😊

That evening is also the Commodores party, at the Club house from 7pm.

So, Whimbrel's crew at least to seeing you all at either or both events.

Kind regards

Natalie
